Travel insurance is highly recommended; applications are available upon request.

ULTIMATE BVI LIVE-ABOARD DIVING

Cuan Law provides the ultimate liveaboard diving experience in the BVI. The ambiance is both fun and relaxed, with a wide range of activities to suit divers of all ages, as well as non-diving guests too! With so many quiet bays, picturesque anchorages and spectacular diving or snorkeling sites, the BVI is one of the treasures of the Caribbean. Each island has its own unique charms, attractions and sites of interest. Norman Island is renowned for its piratic history, Sandy Cay is the very image of the perfect desert island, and Jost Van Dyke is unrivaled in the BVI as a place to let your hair down and try local cocktails like the Painkiller.

At 105ft long and 44ft wide, Cuan Law is the largest trimaran in the world! Fully crewed with captain, chef, 2 dive masters, engineer and 2 stewards, Cuan Law accommodates up to 20 guests in her 10 spacious staterooms. All staterooms can be configured as either two twin beds or one queen bed, and each features a private bathroom and individual air conditioning. The extensive aft deck, top deck with hammocks and air-conditioned saloon offer great space to socialize and relax. The "All Inclusive" rates cover all your meals, snacks, beverages and bar, as well as the use of the 'water toys'.

The stunning British Virgin Islands are best enjoyed from the sea and offer over 100 dive sites, including reefs, pinnacles and many of the best wreck dives in the world. The calm, clear waters are suitable for divers of all experiences.

A vacation aboard the Cuan Law is one of the best ways to explore the gorgeous inlets, beaches and dive sites that the BVI has become so famous for. Join us as we search for spectacular underwater sites or relax on deck sipping a cold cocktail or go on a stroll barefoot along one of the powdery white sand beaches.
