WORLD'S MOST THRILLING DIVING

Socorro, located off the southern tip of the Pacific side of Mexico, is world renowned for magical moments up close and personal with sharks, dolphins, and manta rays. The Giant Pacific Rays actually crave diver interaction and have been known to approach divers looking for a belly rub!

We will spend 8 nights aboard the Nautilus Explorer visiting the Revillagigedo Islands— which in addition to Socorro include Clarion, San Benedicto, and Roca Partida. The boat is equipped with a main salon, dining room, sundeck, and hot tub. Each room has its own private bathroom, air conditioning, plenty of space for storage, and delicious meals that mix Western and Mexican cuisine.

The diving in Socorro is best described as electric and unpredictable. We never know what's going to cruise by. Join us in one of the world's most thrilling dive destinations.

NOTE: Trip prices are based on a group rate and may change if minimum participation is not met. Trip payments are nonrefundable; cancellation fees may apply. Nautilus Aquatics reserves the right to cancel the trip with a 30-day notice and return all monies paid in full. Dive insurance is required. Travel insurance is highly recommended; applications are available upon request.
